Precise Perception In this session you showed a strong communicative	Percepcion precisa En esta sesion demostraste una base comunicativa solida

foundation in English. Your vocabulary is wide enough for B2 conversations, and you actively attempt complex sentence structures. The main issues appeared in preposition usage (especially with dependent prepositions after verbs) and tense consistency, particularly switching between present perfect and simple past.	en ingles. Tu vocabulario es suficientemente amplio para conversaciones B2, e intentas activamente estructuras complejas. Los problemas principales aparecieron en el uso de preposiciones (especialmente preposiciones dependientes tras verbos) y la consistencia de tiempos, particularmente al alternar entre presente perfecto y pasado simple.
Structural Strengths What you do well: Natural use of conditional structures "If I had known earlier, I would have changed my plans." — Correct third conditional. What you do well: Good command of phrasal verbs You naturally used "figure out", "come up with", "look into" — native-level collocations. What you do well: Active self-monitoring and repair You caught and corrected several errors mid-sentence, showing strong language awareness.	Fortalezas estructurales Lo que haces bien: Uso natural de estructuras condicionales "Si lo hubiera sabido antes, habria cambiado mis planes." — Tercer condicional correcto. Lo que haces bien: Buen dominio de verbos frasales Usaste naturalmente "figure out", "come up with", "look into" — colocaciones de nivel nativo. Lo que haces bien: Automonitoreo y reparacion activos Detectaste y corregiste varios errores a mitad de frase, mostrando fuerte conciencia linguistica.
Core Structural Insight Your central pattern is preposition confusion after specific verbs. You transfer Spanish preposition logic into English: "depend of" instead of "depend on", "consist in" instead of "consist of". This is a classic L1 transfer error that needs targeted drilling to override.	Insight estructural central Tu patron central es la confusion de preposiciones despues de verbos especificos. Transfieres la logica de preposiciones del espanol al ingles: "depend of" en vez de "depend on", "consist in" en vez de "consist of". Este es un error clasico de transferencia L1 que necesita ejercicio focalizado para corregirse.

Resumen en tu idioma

Tu ingles hablado activo esta en el nivel B2.1. Esto significa que puedes comunicarte con fluidez en la mayoria de las situaciones, pero las preposiciones y la seleccion de tiempos siguen siendo inestables bajo presion. Tu comprension pasiva es mas alta en B2.2.

Problemas principales:

- Preposiciones dependientes tras verbos (depend of → depend on)
- Presente perfecto usado con marcadores de tiempo pasado especificos
- Omision de articulos con sustantivos contables singulares
- Orden de adjetivos influenciado por la sintaxis espanola
- Falsos amigos del espanol (actually, realize, etc.)

Recomendación clave:

Practica el Motor de Preposiciones diariamente: forma 5 frases con combinaciones de verbo + preposicion y pronuncialas en voz alta. Este unico ejercicio corregira tu debilidad estructural mas grande.

Próximos pasos:

Enfocate en las combinaciones de verbo + preposicion durante las proximas 2 semanas, luego pasa a la seleccion de tiempos y los falsos amigos. Reserva una reevaluacion en 3 meses para medir el progreso.
