Nesta sessao mostraste que tens uma boa base em portugues. O teu vocabulario cobre bem as situacoes do dia a dia. Os problemas principais surgiram no uso dos tempos verbais (preterito perfeito vs. imperfeito) e nas preposicoes de lugar.	In this session, you demonstrated that you have a good foundation in Portuguese. Your vocabulary covers everyday situations well. The main problems appeared in the use of tenses (simple past vs. imperfect) and in prepositions of place.

The central pattern of this session is the confusion between the simple past and the imperfect. You use the simple past to describe habits and past states, where the imperfect would be correct. Summary in your language

Your active spoken Portuguese is at level B1.1. This means you can communicate in everyday situations, but tenses and prepositions break down under pressure. Your passive comprehension is higher at B1.2.

Top Problems:

- Simple past used instead of imperfect for descriptions and habits
- Confusion between prepositions a/em/para
- Future subjunctive avoided (does not exist in French)
- Preposition + article contractions forgotten
- Pronoun placement influenced by French

Key Recommendation:

Practice the Tense Engine every day: form 5 pairs of sentences -- same situation, once in the simple past and once in the imperfect. This single exercise will correct your biggest weakness.

Next Steps:

Focus on simple past vs. imperfect for the next 2 weeks, then move on to prepositions and the future subjunctive. Schedule a reassessment in 3 months.
