PERCEPÇÃO PRECISA	**الإدراك الدقيق**
Nesta sessao mostraste que tens uma boa base em portugues. O teu vocabulario cobre bem as situacoes do dia a dia. Os problemas principais surgiram no uso dos tempos verbais (preterito perfeito vs. imperfeito) e nas preposicoes de lugar.	Luca, in this session you showed a solid foundation in German. Your vocabulary fits B2 communication, and you actively attempt complex structures. Under pressure, clear patterns emerge: the case system with two-way prepositions is unstable, and article errors with everyday nouns persist. What stands out positively: your verb position in subordinate clauses is largely stable.
FORÇAS ESTRUTURAIS	**نقاط القوة الهيكلية**
What you do well: Boa utilizacao de pronomes	**ما تفعله جيداً: Solid verb-second placement in main clauses**
"Eu vi-o ontem no mercado." — Pronome direto correto.	"Yesterday I went to the cinema." â€" Correct inversion after temporal adverb.
What you do well: Conjugacao regular consistente	**ما تفعله جيداً: Good use of modal verbs**
Conjugas os verbos regulares (-ar, -er, -ir) corretamente na maioria dos tempos.	"I have to get up earlier tomorrow." â€" Correct bracket structure.
What you do well: Boa compreensao auditiva	**ما تفعله جيداً: Active self-correction attempts**
Entendes bem o portugues falado a velocidade normal.	You made multiple attempts to correct errors â€" this shows language awareness.
INSIGHT ESTRUTURAL CENTRAL	**الرؤية الهيكلية الأساسية**
O padrao central desta sessao e a confusao entre preterito perfeito e imperfeito. Usas o perfeito para descrever habitos e estados no passado, onde o imperfeito seria correto. Esta confusao e compreensivel dado que o frances tem uma distincao semelhante mas usa-a de forma diferente.	The central pattern of this session is the instability of the case system with two-way prepositions. You consistently use accusative even in static contexts. The engine against this: the conscious question before every two-way preposition â€" movement or position?

TOP 5 STRUKTURELLE PROBLEME	**أهم 5 مشاكل هيكلية**
1. Preterito perfeito vs. imperfeito [Zeitformen]	**1. Accusative/Dative confusion with two-way prepositions [الأزمنة]**
Usas o perfeito para descricoes e habitos: 'Ontem fez bom tempo' em vez de 'Ontem fazia bom tempo'.	Two-way prepositions were used with accusative, even in static contexts where dative would be correct.
"Quando fui crianca, joguei futebol." → Correto: "Quando era crianca, jogava futebol."	"I am in the park (motion)." instead of "I am in the park (location)."
2. Preposicoes de lugar [Präpositionen]	**2. Gender errors with everyday nouns [حروف الجر]**

Confundes 'em', 'a' e 'para' com direcao e localizacao.	The wrong article was used with common nouns. Gender determines the entire declension.
"Vou em Lisboa." → Correto: "Vou a Lisboa."	"der MÃ¤dchen" (das MÃ¤dchen) / "die Auto" (das Auto)
3. Futuro do conjuntivo [Zeitformen]	**3. Perfect tense with motion verbs [الأزمنة]**
Evitas o futuro do conjuntivo, que nao existe em frances: 'Quando voce vem' em vez de 'Quando voce vier'.	Motion verbs were conjugated with 'have' instead of 'be': go, drive, come.
"Se eu tenho tempo, vou." → Correto: "Se eu tiver tempo, vou."	"I have went." instead of "I have gone."
4. Contracoes de preposicoes [Präpositionen]	**4. Missing sentence bracket with separable verbs [حروف الجر]**
Esqueces as contracoes obrigatorias: 'de o' em vez de 'do', 'em a' em vez de 'na'.	Separable verbs were not separated. The prefix stayed attached to the verb.
"O livro de o professor." → Correto: "O livro do professor."	"I getup at 7." instead of "I get up at 7."
5. Colocacao pronominal [Wortstellung]	**5. Word order after temporal adverbs [ترتيب الكلمات]**
Colocas os pronomes em posicao francesa em vez de seguires as regras portuguesas.	After time expressions at the start, the subject was not placed after the verb.
"Me disse que..." → Correto: "Disse-me que..."	"Yesterday I am to cinema went." instead of "Yesterday went I to the cinema."

Summary in Your Language

Your active spoken German is at level B2.1. You communicate fluently in most situations, but systematic structural errors appear under pressure â€” particularly with cases after two-way prepositions and article gender. Your passive understanding is higher at B2.2.

المشاكل الرئيسية:

- Accusative/Dative confusion with two-way prepositions â€” using accusative in static contexts
- Gender errors with everyday nouns â€” creating article error chains
- Perfect tense with motion verbs â€” using haben instead of sein
- Separable verbs not being separated â€” prefix staying attached
- Word order after temporal adverbs â€” missing inversion

التوصية الرئيسية:

You feel it â€” you understand more than you can produce under pressure. That gap is not a weakness. It means your passive system is ready. Practice the Sentence Engine daily: 5 weil-sentences, verb consciously at the end. Pair with the Dative Trigger â€” ask 'movement or position?' before every two-way preposition.

الخطوات التالية:

You have a 3-month window where today's patterns are still fresh. Focus on subordinate clauses for 2 weeks, then motion verbs and the case system. Book your re-assessment to measure exactly how far you've come: cal.com/marko.check/re-assessment
