Precise Perception In this session you showed a strong communicative	Precise Perception In this session you showed a strong communicative

foundation in English. Your vocabulary is wide enough for B2 conversation, and you actively attempt complex structures. Under pressure, clear patterns emerged: dependent prepositions transfer from your native language, and tense selection between present perfect and simple past is inconsistent. Positively: your use of conditionals and phrasal verbs is natural.	foundation in English. Your vocabulary is wide enough for B2 conversation, and you actively attempt complex structures. Under pressure, clear patterns emerged: dependent prepositions transfer from your native language, and tense selection between present perfect and simple past is inconsistent. Positively: your use of conditionals and phrasal verbs is natural.
Structural Strengths What you do well: Natural use of conditional structures "If I had known earlier, I would have changed my plans." — Correct third conditional. What you do well: Good command of phrasal verbs You naturally used "figure out", "come up with", "look into" — native-level collocations. What you do well: Active self-monitoring and repair You caught and corrected several errors mid-sentence, showing strong language awareness.	Structural Strengths What you do well: Natural use of conditional structures "If I had known earlier, I would have changed my plans." — Correct third conditional. What you do well: Good command of phrasal verbs You naturally used "figure out", "come up with", "look into" — native-level collocations. What you do well: Active self-monitoring and repair You caught and corrected several errors mid-sentence, showing strong language awareness.
Core Structural Insight Your central pattern is preposition confusion after specific verbs. You transfer your native language preposition logic into English: "depend of" instead of "depend on". The engine: memorize the 20 most common verb + preposition combinations.	Core Structural Insight Your central pattern is preposition confusion after specific verbs. You transfer your native language preposition logic into English: "depend of" instead of "depend on". The engine: memorize the 20 most common verb + preposition combinations.

TOP 5 STRUCTURAL PROBLEMS	
1. Dependent prepositions after verbs [Prepositions]	**1. Dependent prepositions after verbs [Prepositions]**
You consistently use the wrong preposition after verbs like depend, consist, insist, result. This is direct transfer from your native language.	You consistently use the wrong preposition after verbs like depend, consist, insist, result. This is direct transfer from your native language.
"It depends of the weather." → "It depends on the weather."	"It depends of the weather." → "It depends on the weather."
2. Present perfect vs. simple past [Tenses]	**2. Present perfect vs. simple past [Tenses]**
You use present perfect where simple past is required, especially with specific time markers like "yesterday" or "last week".	You use present perfect where simple past is required, especially with specific time markers like "yesterday" or "last week".
"I have visited Rome last year." → "I visited Rome last year."	"I have visited Rome last year." → "I visited Rome last year."
3. Article omission with countable nouns [Articles]	**3. Article omission with countable nouns [Articles]**
You sometimes drop articles before singular countable	You sometimes drop articles before singular countable

nouns, influenced by native language patterns.	nouns, influenced by native language patterns.
"I need computer for work." → "I need a computer for work."	"I need computer for work." → "I need a computer for work."
4. Adjective word order [Word Order]	**4. Adjective word order [Word Order]**
You occasionally place adjectives after nouns, transferring native syntax.	You occasionally place adjectives after nouns, transferring native syntax.
"She wore a dress beautiful." → "She wore a beautiful dress."	"She wore a dress beautiful." → "She wore a beautiful dress."
5. False friends from native language [Word Choice]	**5. False friends from native language [Word Choice]**
You use cognates with shifted meanings: "actually" for "currently", "realize" for "carry out".	You use cognates with shifted meanings: "actually" for "currently", "realize" for "carry out".
"I'm actually working on a project." (meaning: right now) → "I'm currently working on a project."	"I'm actually working on a project." (meaning: right now) → "I'm currently working on a project."

TOP 5 LEVER CORRECTIONS	
What you said: "It depends of the situation."	What you said: "It depends of the situation."
Clean version: "It depends on the situation."	Clean version: "It depends on the situation."
depend + on (not of). Your native preposition logic does not transfer.	depend + on (not of). Your native preposition logic does not transfer.

Summary in Your Language

Your active spoken English is at level B2.1. Your passive understanding is B2.2.

Top Problems:

- Dependent prepositions after verbs
- Present perfect vs. simple past
- Article omission with countable nouns
- Adjective word order
- False friends from native language

Key Recommendation:

You feel it — you understand more than you can produce under pressure. That gap is not a weakness. Practice the Sentence Engine daily. This single drill will close the biggest gap.

Next Steps:

Focus on the first drill for 2 weeks, then expand. Book your re-assessment in 3 months: cal.com/marko.check/re-assessment
